

a odbornost a dostupnost

We are and want to be a stable, important, respected, and dynamically developing company that deals in the area of machines and tools in Central and Eastern Europe. We facilitate work to professionals and regular users. Our products daily help easy, safe, and highly productive work in workshops and households of our customers.

RELIABILITY, ETHICS, STABILITY, EXPERTISE, and AVAILABILITY,

these are the pivotal attributes of our company. We are a guarantee of professional, solid, and **ethical** attitude towards all our customers with a single goal – a satisfied customer. The long-term direction of development of our brand is determined by permanent **stable** values, supported by tradition, experience, and prosperity in our field. With our employees, we require professionalism, competence, and **expertise**. The wide and structure product range is **available** wherever our customer needs it, thanks to the extensive distribution network.

Nástroj Vašeho úspěchu!

PROMA-GROUP

V dnešní době působí na trhu s obráběcími stroji a elektronářadím mnoho firem, uspět ale mohou jen ti nejlepší. **PROMA-GROUP** se oprávněně a hrdě řadí

mezi ně. Jednotlivé etapy vývoje dnešního holdingu **PROMA-GROUP** i úspěchy dosažené na světových trzích to nepochybně dokazují.

company Profile

The Tool of Your Success!

PROMA-GROUP

Many companies act in the market of machine tools and power tools today, but only the best can succeed. **PROMA-GROUP** is rightfully and proudly among those.

The individual stages of development of the current holding **PROMA-GROUP** and the achievements in world markets arguably prove that.
